

Gently Used Clothing Sale

May 16, 2008

9-10:30 pm

Time to "Think Green for Spring" and recycle those dance shoes and clothes you haven't worn recently and yet are still like-new and trendy.

Time to check out some dance shoes and dance clothes to add to your closet!

Swing 'N' Country Dance Club is sponsoring a Gently Used Clothing sale at our May 16th dance. Come bring your good, gently used clothes, costumes, shoes and boots and make some cash! All sizes are needed. Sale hours are between 9:00 pm and 10:30 pm. Sorry, no early birds. We don't want to interrupt the lesson.

Here are a few guidelines:

All clothing must be in good and current condition and brought on hangers. Suggested pricing for blouses and shirts is \$3.00 or less. Suggested pricing for pants is \$7.00 or less. Specialty items such as competition wear, boots and shoes can be priced per seller's option.

A piece of paper is to be attached to each item indicating your name, description of item, and price. The buyer will pay at the check out table. The committee will pay the sellers at the end of the sale. Sellers are to pickup unsold items at 10:30 pm.
